Why You Should Volunteer as a Standards Visitor

The Standards Program is a key activity of the OCA. Your active involvement is important for the success of the Association, and we can't do it without you!

- 1 It's a wonderful opportunity to share and learn with other camping professionals!
- 2 It's an ideal way to take a break from your own camp responsibilities and to get off-site.
- 3 It gives your staff the opportunity to show you how well they can run camp when you leave.
- 4 It continues our tradition of emphasizing that an OCA accredited camp is a sign of quality
- 5 It is an ideal chance to make a significant contribution to the important work of the OCA!

If you are new to the process, or have never been a visitor, we can arrange to match you with an experienced visitor to increase your knowledge of the visitation process and standards.

Please complete the Volunteer Form (on reverse) and mail or fax it back to the OCA office by March 12th. If you have any questions about being a visitor, please feel free to contact me.

Thank you for your involvement and support!
